

# PRODUCT INFORMATION

## Parts Master SAE 85W-140 Gear Oil

Description
-------------

**Parts Master SAE 85W-140 Gear Oil** is a premium quality conventional gear oil designed for axles and differentials calling for API GL-5 gear oils. This gear oil has excellent protection against gear corrosion, wear, and shock loading. **Parts Master SAE 85W-140 Gear Oil** is recommended for conventional rear axles and non-synchronized manual transmissions requiring EP gear lubricants.

**Parts Master SAE 85W-140 Gear Oil** meets or exceeds API Services GL-5 and in non-synchronized manual transmissions calling for API GL-4.

Typical Properties	
	<u>SAE 85W-140</u>
KV100 (cSt)	28.0
KV40 (cSt)	370
Viscosity Index	103
Density @ 15°C, g/cm3	0.891
Brookfield Vis., cP	150,000 max. (-12°C)
Pour Point (°C)	-15
